Revised 11-10-2024

AA Preamble:

Alcoholics Anonymous is a fellowship of people who share their experience, strength, and hope with each other that they may solve their common problem and help others recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; we are self-supporting through our own contributions. AA is not allied with any sect, denomination, politics, organization, or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics achieve sobriety.

**I am responsible when anyone, anywhere reaches out for help. I want the hand of AA always to be there. And for that:
I am Responsible**
